

Project Appeal

Addn. two toilets, new Servery area and additional Upper Room.....

What Project...!??

- Have you seen the drawings at the back of church?
- A 'Faculty' has been applied for, and now granted.
- It has been approved by Historic England.
- Work can proceed when sufficient funds are available/have been pledged.

Details

- **Additional two toilets in base of tower.**
- **New enhanced Servery in current Coffee Area.**
- **New Upper Room over the new Servery.**
- **Maintained Access to Bell Tower.**

Anticipated Costs.

• Remedials to Windows	£7,500
• Project Costs (estimate)	£140,000
• Fees, etc	£8,500
Total	£156,000
• Already Spent	£11,500
• Project Fund total today	£51,500
Outstanding Balance	£93,000

How Do We Pay For It?

- **As a result of prayer.** (1 Corinthians 8:6)
- **As our first priority, not what is left over.** (Exodus 23:19, 1 Corinthians 16:2)
- **As part of our worship.** (Psalm 96:8)

Our giving should be a sacrifice of at least part of our wealth and lifestyle.

Donations

- **If 41 people/families pledged an average of £50/month for 3 years (and qualified for Gift Aid) they would cover the cost of the Project.**
- **One-off contributions are also welcome.**
- **7 people/families are already donating a total of £226/month to the Fund.**

Other Income & Costs.....

- **We will be seeking grants to assist us in covering the total cost.**
- **We pray that we will exceed the required amount, so that we can, as in previous Projects, make a 'Mission' contribution of 10% of our total cost (£15,000).**
- **That would 'raise the bar' to £110,000 – almost exactly what we successfully raised for each of our last two projects....**

When.....

- **All depends on receiving sufficient donations and pledges.....**
- **We pray that we might be able to instruct a contractor to proceed in January 2021, but we may have to wait until January 2022.**

What are you being called to give to the Appeal?
